BEACH PARTY DISCO!!

Friday 17th October

Juniors 6:00-7:15pm \$3

Seniors 7:30-9:30pm \$5

The canteen will be open and selling chips, lollies and drinks as well as a sausage sizzle.

There will be cool glow products for sale as well as some novelties.

There will be loads of fun games and prizes as well as prizes for best dressed

Please remember that the disco is only open to JHSS students and that all Juniors MUST be accompanied by an adult at all times and all Seniors MUST be picked up from the gate.

PARENTS WE NEED YOUR HELP

We need plenty of adult helpers on the Disco night to work the canteen, cook and serve the BBQ and assist with security.

If you are able to help out on the night please contact

Niki 0410 344 999 or email

fundraising@jhss.com.au or alternatively come and see one of the lovely volunteers on the night.

Any assistance would be greatly appreciated.

Professional Family Portraits

STRIKE A POSE !

Advanced Life Photography is holding a Family Portrait Day on Saturday 1st November. There is a \$15 sitting fee which includes a 10 x 13" Framed Portrait Photograph plus a Family Portrait Key ring (additional packages are available).

100% of funds collected on the day will be donated to the P & C!

Don't forget Christmas is approaching and these portraits would make beautiful Christmas gifts!

Notes will go home this week or if you miss out on a note, please contact Niki on 0410 344 999 or fundraising@jhss.com.au.

This offer is not limited to JHSS, so invite your friends and family to participate, and support the P & C and your children's education by saying cheese!

DIABETES FUNDRAISING

On October 12th the Harmon family participated in a fundraising walk to raise money for diabetes research. The school is supporting their efforts by selling key rings, pens etc at the office. Prices start at \$2. Donations can also be made. Please continue your support!

If you want to know more about the Walk for Diabetes go to <http://walk.jdrf.org.au> or contact Irene Harmon at iharmon@bigpond.net.au.

WHAT IS DIABETES? Type 1 diabetes is caused when the body mistakenly turns on itself and destroys the insulin-producing islet cells in the pancreas. Insulin is a hormone that turns food in to energy and is vital for energy.

WHAT RESEARCH IS BEING DONE? The Juvenile Diabetes Research Foundation Islet Transplantation Program aims to make the transplantation of insulin-producing cells a viable treatment for people with type 1 diabetes.
